REPORT OF COMMITTEES

To the Trustees of the Peabody Institute:

Gentlemen:

The reports of the Librarians and of the Sub-Committees of the Lyceum and Library Committee are herewith submitted. They present in full the work of the Institute for the year ending December 31, 1942.

Respectfully submitted,

J. T. O'NEIL,

Chairman, Lyceum and Library Committee

REPORT OF THE LIBRARY COMMITTEE FOR THE YEAR 1942

To the Lyceum and Library Committee:

During the past year as in 1941 our circulation has dropped below that of the previous year. To anyone familiar with the present conditions with the great increase in employment, dimouts and transportation difficulties, together with the substantial number of our readers now in the armed services of our country this is perfectly understandable.

This circulation drop has applied only to fiction—the circulation of technical books of all kinds has shown a considerable increase and we have endeavored to supply the demand for technical material as far as our limited means would permit.

The cost of these books is very much higher than fiction and as a result of this together with the rise in the cost of our type of books, the number of books we were able to purchase was well below that of last year.

The cost of everything necessary to the operation of a library is rising along with the cost of everything else.

The W.P.A. projects which have been so useful to us in repairing, improving and operating the library have finally ceased and we can look for no more help from that source. All the work which was done by this agency has been well conceived and carried out and the library has been a very substantial gainer.

Our library and its staff continue to make a very important contribution to the war effort.

The Victory Book Campaign was handled entirely from the library by the staff. Mr. Masterson has continued to hold the very trying post of Chief Air Raid Warden and the organization built up by him and his associates is recognized to be a very efficient one by members of the Defense setup.

Both Miss Murphy and Miss Johnson are active members of the Massachusetts Womens' Defense Corp.

In the work of operating the library, Mr. Masterson and his staff continue to show the same loyalty and cooperation and their courteous service is well appreciated by the public.

JAMES T. O'NEIL,

Chairman Library Committee

**Report of the Eben Dale Sutton Library for the Year Ending
December 31, 1942**

To the Members of the Library and Lyceum Committees:

Attached herewith is the report of the Librarian of the Eben Dale Sutton Library covering the year ending December 31, 1942.

The consultations of 4209 show a decrease over last year, due no doubt to war conditions. As the income of the fund has decreased appreciably, there has been no money for the purchase of books.

Very truly yours,

MARION E. O'KEEFE

Chairman of the Eben Dale Sutton
Library Committee

Reading Room Committee Report 1942

During the year, the periodical list was revised, and we have now a complete collection of the best magazines and newspapers to be obtained. The Reading Room is still, in spite of the fewer numbers of consultants and readers, too small for proper accommodations.

MARION E. O'KEEFE

Chairman, Reading Room Committee

Annual Report of the Lyceum Committee — 1942

Due to the limited resources of the Library this year, it was considered inadvisable to expend any large amount for lectures.

The Hall was granted free of charge to the S.P.C.C. for a lecture on books.

In addition to this the hall was given for classes for men and women of the Peabody Civilian Defense.

Respectfully submitted,

WILLIAM A. WELCH,

Chairman, Lyceum Committee

LIBRARIAN'S REPORT

To the Library and Lyceum Committee,

Ladies and Gentlemen:

I herewith present the ninety-first annual report of the Peabody Institute Library.

Our circulation statistics show a decrease of approximately 10% under those of the previous year. Practically all of this decrease was in adult circulation. Realizing that many of our patrons are in the armed forces, that many more are working on overtime defense jobs, and with dim-out regulations and gas rationing preventing the residents of the outlying districts from borrowing as many books as formerly, we anticipated an even greater drop than this in our circulation.

There has been a constant demand for all types of books pertaining to defense work, aviation, naval construction, military tactics and war analysis.

A group of our West Peabody patrons have asked us to establish a deposit station at the West Peabody Community Club. They are installing their own book cases and volunteers will handle the loaning of the books. During the year the deposits in schools of the outlying districts were continued. This service is greatly appreciated by the parents and children.

The Library Staff has co-operated in every way possible with the local and national war efforts. In the nation-wide "Victory Book Campaign", hundreds of books were collected, sorted and shipped to distribution points for the members of our armed forces.

After more than six years of work in the library, our W.P.A. projects were finally brought to an end. During that time, and with their help, much has been accomplished. Old obsolete stacks that reached to the ceiling and darkened the whole library were replaced by new oak stacks that have

brightened the whole library. Our main hall, trustees' room, corridors and stairways received badly needed painting. A new concrete floor replaced the old uneven brick flooring in the basement. Every book in the library was recataloged and reclassified under the Dewey Decimal System. Thousands of new cards were typed, and all cards in the catalog were cleaned and corrected. A complete new card shelf list was established.

An index catalog of the history of Peabody was approaching completion, when the project was closed. The Peabody Institute Library was indeed greatly benefited by the W.P.A. projects which it has sponsored.

The Peabody Committee on Public Safety, through its Chairman, Mr. Harold Legro, thanks the Committee for allowing the various Civilian Defense Committees the use of the library rooms and hall, for meetings, throughout 1942.

In conclusion, I wish to acknowledge the helpfulness and assistance of my staff, and to express my sincere appreciation to the Committee for their counsel and co-operation during the past year.

Statistics in the usual form are appended.
